

Trainee statistics 2011

Aim

The attached statistics are for information purposes.

Brief History/Background

The attached statistics have been generated by the Registrar's Department in relation to the number of traineeships that the Society registered in 2011.

These statistics are generated on an annual basis.

Key Factors

- The number of training contracts commenced in 2011 is 90% of those commenced in 2010
- 73% of traineeships commenced in 2011 were in Glasgow or Edinburgh
- 9% of trainees are In House trainees
- 58% of traineeships are at firms with 11 or more partners

Additional information

If you require any additional information or would like to discuss any aspect of traineeships, please contact Katie Wood katiewood@lawscot.org.uk 0131 476 8105/8200.
